Department of Psychology
University of California, Los Angeles
Los Angeles, California 90095-1563

5544 Pritzker Hall
scnlab@psych.ucla.edu
Ph: 310.206.4050

EMPLOYMENT & EDUCATION

Co-founder and Chief Scientist, Resonance Inc., 2018
Professor of Psychology, Social Psychology, 2009-present, UCLA
Professor of Psychiatry & Biobehavioral Sciences, 2009-2020, UCLA
Associate Professor of Psychology, Social Psychology, 2006-2009, UCLA
Assistant Professor of Psychology, Social Psychology, 2000-2006 UCLA
Postdoctoral Fellow, Behavioral Neuroscience, 1999-2000, UCLA
Ph.D., Social Psychology, 1999, Harvard University
B.A., Philosophy and Psychology, 1992, Rutgers College

SUMMARY OF ACHIEVEMENTS

- Won the *APA Early Career Award* (2007), *SPSP Book Prize* (2014), *SESP Career Trajectory Award* (2015), *UCLA Distinguished Teacher Award* (2020), *SANS Distinguished Scholar Award* (2023)
- 200+ Publications (H-index: 104) at outlets including *Science*, *Proceedings of the National Academy of Sciences*, *Psychological Review*, *Nature Communications*, *Annual Review of Psychology*, *Psychological Bulletin*, *American Psychologist*, *Psychological Science*, *Journal of Neuroscience*, and the *Handbook of Social Psychology*
- Author of award-winning and bestselling book *Social: Why our brains are wired to connect*
- Total citations: 48,000+ (Google Scholar)
- Trainees have been offered ladder faculty positions at: Yale University, Massachusetts Institute of Technology, Princeton University, Columbia University, Dartmouth College, University of Oxford, Carnegie Mellon University, University of Pennsylvania, University of Michigan, University of California Los Angeles, Ohio State University, New York University, University of Illinois, University of Oregon, Northwestern University, University of North Carolina Chapel Hill, Pomona College, SUNY Stony Brook, Temple University, University of East Anglia, University of Nevada Las Vegas, Southern Methodist University.
- 18 trainees have received a National Science Foundation fellowship
- Named by *Science* magazine as one of the top 50 "Science stars of Twitter", 2015
- One of six founding members of the *Social and Affective Neuroscience Society (SANS)*, 2011
- Founding Editor-in-Chief, *Social Cognitive and Affective Neuroscience (SCAN)*, 2005-present
- Co-founded *Resonance Inc* which uses AI technology to help people find new highly compatible friends

AWARDS & HONORS

Social and Affective Neuroscience Society (SANS) Distinguished Scholar Award, 2023
UCLA Distinguished Teaching Award for Senate Faculty (Undergraduate Mentorship Award), 2020
UCLA Undergraduate Research Week Faculty Mentor Award, 2020
Named to the Ronald Reagan Presidential Library Advisory Board, 2018-present
Invited to nominate for the *Nobel Memorial Prize in Economic Sciences*, 2016-2022
Invited to nominate for *McArthur Fellows*, 2016

“Top 50 Human Behavioral Experts to Follow”, iMotions, 2017
Society of Experimental Social Psychology Career Trajectory Award, 2015
“Top 50 Science stars of Twitter”, *Science* magazine, 2015
Society for Personality and Social Psychology Book Prize, Winner (for ‘Social’), 2014
Los Angeles Times Book Prize, Science and Technology, Finalist (for ‘Social’), 2014
UCLA Gold Shield Faculty Prize, 2011
Fellow, Society of Experimental Social Psychology, 2009
Fellow, Association for Psychological Science, 2009
APA Distinguished Scientific Award for Early Career Contribution to Psychology, 2007
Distinguished Teaching Award, Department of Psychology, UCLA, 2004
Joseph R. Levenson Memorial Teaching Prize, Harvard University, 1997

PROFESSIONAL EXPERIENCE

Social Cognitive and Affective Neuroscience – *Founding Editor, Editor-in-Chief*, 2005-present
Psychological Review – *Consulting Editor*, 2014-present
Culture and Brain – *Consulting Editor*, 2011-present
Brain Mapping: An encyclopedic reference – *Social Cognitive Neuroscience Section Editor*, 2012-2015
Personality and Social Psychology Bulletin – *Consulting Editor*, 2004-2008
NeuroImage – *Guest Editor*, 2005, special issue on Social Cognitive Neuroscience
Proceedings of the National Academy of Sciences – *Guest Editor*, 2016-2017, 2020, 2022

BOOKS

Lieberman, M. D. (2013). *Social: Why our brains are wired to connect*. New York: Crown.
-Winner, Society for Personality and Social Psychology Book Prize
-Finalist for Los Angeles Times Book Prize
-Audible Amazon Bestseller (#3 for week of Jan 19, 2015)

PUBLICATIONS (*indicates first author was a trainee) (H-index: 104)

In Press

- 221) Tveleneva, A., Scholz, C., Falk, E. B., Yoon, C. Lieberman, M. D., Cooper, N., O'Donnell, M. B., & Cascio, C. N. (in press). The relationship between agency, communion, and neural processes associated with conforming to social influence. *Personality and Individual Differences*.
- 220) *Welborn, B. L., Dieffenbach, M. C., & Lieberman, M. D. (in press). Default egocentrism: An MVPA approach to overlap in own and others' attitudes. *Social Cognitive and Affective Neuroscience*.
- 219) *Straccia, M. A., Teed, A. R., Katzman, P. L., Tan, K. M., Parrish, M. H., Irwin, M. R., Eisenberger, N. I., Lieberman, M. D., & Tabak, B. A. (in press). Null results of oxytocin and vasopressin administration on mentalizing in a large fMRI sample: Evidence from a randomized controlled trial. *Psychological Medicine*, 1-11.

Published

- 218) Lieberman, M. D. (2022). Connecting for success: Interventions that increase our sense of belonging can help us confront new challenges. *Science*, *377*, 1161.
- 217) *Binnquist, A., Dolbier, S., Dieffenbach, M., & Lieberman, M. D. (2022). The Zoom solution: Promoting effective cross-ideological communication online. *PLoS One*, *17*(7): e0270355
<https://doi.org/10.1371/journal.pone.0270355>
- 216) Lieberman, M. D. (2022). Seeing minds, matter, and meaning: The CEEing model of pre-reflective subjective construal. *Psychological Review*, *129*, 830-872.
- 215) *Tan, K. M., Daitch, A. L., Pinheiro-Chagas, P., Fox, K. C. R., Parvizi, J., & Lieberman, M. D. (2022). Electroencephalography evidence of a common neurocognitive sequence for mentalizing about the self and others. *Nature Communications*, *13*, 1-17.
- 214) Cosme, D., Flourney, J. C., Livingston, J. L., Lieberman, M. D., Dapretto, M., & Pfeifer, J. H. (2022). Testing the adolescent social reorientation model during self and other evaluation using hierarchical growth curve modeling with parcellated fMRI data. *Developmental Cognitive Neuroscience*, 101089.
- 213) *Sahi, R., Dieffenbach, M., Gan, S., Lee, M., Hazlett, L., Burns, S., Lieberman, M. D., Shamay-Tsoory, S., & Eisenberger, N. I. (2021). Comfort in touch: Immediate and lasting effects of handholding on emotional pain. *PLoS One*, *16*(2), e0246753.
- 212) *Dieffenbach, M. C., Gillespie, G. S. R., Burns, S. M., McCulloh, I. A., Ames, D. L., Dagher, M. M., Falk, E. B., & Lieberman, M. D. (2021). Neural reference groups: A synchrony-based classification approach for predicting attitudes using fNIRS. *Social Cognitive and Affective Neuroscience*, *16*, 117-128.
- 211) Weaverdyck, M. E., Lieberman, M. D., & Parkinson, C. (2020). Multi-voxel pattern analysis in fMRI: A practical introduction for social and affective neuroscientists. *Social Cognitive and Affective Neuroscience*, *15*, 487-508.
- 210) Sandman, C. F., K. S. Young, L. J. Burklund, D. E. Saxbe, M. D. Lieberman, & M. G. Craske. (2020) "Changes in functional connectivity with cognitive behavioral therapy for social anxiety disorder predict outcomes at follow-up." *Behaviour Research and Therapy*, 103612.
- 209) Moieni, M., Irwin, M.R., Seeman, T.E., Robles, T.F., Lieberman, M.D., Breen, E.C., Okimoto, S., Lengacher, C., Arevalo, J.M.G., Olmstead, R., Cole, S.W., & Eisenberger, N.I. (2020). Feeling needed: Effects of a randomized generativity intervention on well-being and inflammation in older women. *Brain, Behavior, and Immunity*, *84*, 97-105.
- 208) *Tabak, B. A., Young, K. S., Torre, J. B., Way, B. M., Burklund, L. J., Eisenberger, N. I., Lieberman, M. D., & Craske, M. G. (2020). Preliminary evidence that CD38 moderates the association of neuroticism on amygdala-subgenual cingulate connectivity. *Frontiers in Neuroscience*, *14*, 1-10.
- 207) Sewart, A. R., Niles, A. N., Burklund, L. J., Saxbe, D. E., Lieberman, M. D., & Craske, M. G. (2019). Examining positive and negative affect as outcomes and moderators of cognitive behavioral therapy and acceptance and commitment therapy for social anxiety disorder. *Behavior Therapy*, *50*, 1112-1124.
- 206) *Tan, K. M., Burklund, L. J., Craske, M. G., & Lieberman, M. D. (2019). Posttraumatic stress disorder and the social brain: Affect-related disruption of the default and mirror networks. *Depression & Anxiety*, *36*, 1058-1071.
- 205) *Tabak, B. A., Teed, A., Castle, E., Dutcher, J. M., Meyer, M. L., Bryan, R., Irwin, M. R., Lieberman, M.D., Eisenberger, N. I., & (2019). Null results of oxytocin and vasopressin administration across a range of social cognitive and behavioral paradigms: Evidence from a randomized controlled trial. *Psychoneuroendocrinology*, *107*, 124-132.
- 204) *Meyer, M. L., Davachi, L., Ochsner, K. N., & Lieberman, M. D. (2019). Evidence that default network connectivity during rest consolidates social information. *Cerebral Cortex*, *29*, 1910-1920.
- 203) Lieberman, M. D. (2019). Boo! The consciousness problem in emotion. *Cognition & Emotion* (Invited piece for 30th anniversary issue), *33*, 24-30.

- 202) *Burns, S. M., Barnes, L. N., McCulloh, Dagher, M. M., Falk, E. B., Storey, J. D., & Lieberman, M. D. (2019). Making social neuroscience less WEIRD: Using fNIRS to measure neural signatures of persuasive influence in a Middle East participant sample. *Journal of Personality and Social Psychology*, *116*, e1-e11.
- 201) Lieberman, M. D., Straccia, M. A., Meyer, M. L., Du, M. & Tan, K. M. (2019). Social, self, (situational), and affective processes in medial prefrontal cortex (MPFC): Causal, multivariate, and reverse inference evidence. *Neuroscience & Biobehavioral Reviews*, *99*, 311-328.

GRANTS & GIFTS (TOTAL CAREER SUPPORT: \$12 MILLION)

\$432,375 "Social facilitation of emotion regulation in adolescence", NIH R21HD108751, 7/12/23-7/11/25 (Co-PI:Lieberman, PI: Silvers)

\$175,000 Gift from anonymous donor, 2022

\$100,000 Gift from anonymous donor, 2019

\$613,420 "Equipment & research supplement", Department of Defense, 2018 (FA9550-14-1-0172; PI: Lieberman)

\$138,316 "fNIRS equipment upgrade", Department of Defense, 2018 (FA9550-14-1-0172; PI: Lieberman)

\$2,826,000 "Neural bases of persuasion and social influence in the U.S. and the Middle East", Department of Defense (FA9550-14-1-0172), 8/1/13-8/31/19 (PI: Lieberman)

\$1,856,902 "Designing effective obesity interventions with neuroscience", National Cancer Institute, 1/1/13-12/31/17 (PD/PI with Emily Falk)

\$688,317 "Learning-for-teaching (LFT) and default network activity", Office of Naval Research (N00014-13-1-0082), 11/1/12-10/31/16 (PI: Lieberman)

\$450,000 "Discovering intuition through the study of computational equations for reasoning with neurological measures (DISCERN)", Office of Naval Research, 1/1/13-12/31/15 (Site PI: Lieberman)

\$1,189,000 "The role of affect labeling in PTSD and its treatment", Defense Advanced Research Projects Agency (W911NF-14-C-0056), 2014-2015 (PI: Lieberman)

\$750,000 "Affect labeling, expressive writing, and emotion regulation", National Institute of Mental Health (R01MH084116), 7/01/08-4/30/12 (PI: Lieberman, co-PI: Stanton)

\$275,000 "Neural mediators of behavior therapy for anxiety", National Institute of Mental Health (R21MH081299), 4/1/08-3/30/10 (PI: Michelle Craske; co-PI: Lieberman)

\$58,740 "An fMRI study of genetic, neural, and psychological mechanisms linking social rejection to aggression", Harry Frank Guggenheim Foundation, 1/1/07-12/31/08 (PI: Lieberman; co-PI: Way)

\$159,200 "The neuroscience of memes", Defense Advanced Research Projects Agency (BAA07-21), 1/1/08-12/31/08 (PI on subcontract: Lieberman)

\$36,500 "Trust, Distrust, and Diversity: The effects of message source and content", Defense Advanced Research Projects Agency (BAA07-21), 1/1/08-12/31/08 (PI on subcontract: Lieberman)

\$10,000 "Genes, Culture, and Relationships: Does variation in the serotonin transporter gene contribute to cross-cultural psychological differences between East Asians and Caucasians?", UCLA Academic Senate Grant, 7/1/07-6/30/08 (PI: Lieberman)

\$5,000 "Neurogenetic moderation of cross-cultural differences in sensitivity to social relationships", Center for Culture, Brain, & Development (UCLA), 7/1/07-6/30/08 (PI: Lieberman)

\$1,209,889 "Psychological and Biological Antecedents of Health Behavior Decisions", National Institute of Aging (R01AG030309), 9/30/06-7/31/09 (PI: Shelley Taylor; co-PI: Lieberman)

\$233,750 "Neural Mechanisms Underlying Stress Reactivity", National Institute of Mental Health (R21MH071521), 6/1/05-5/31/08 (PI: Lieberman; co-PI: Shelley Taylor)

\$143,000 "Neural Correlates of Persuasive Messages across Cultures", Defense Advanced Research Projects Agency (BAA06-19) 6/01/07-5/31/08 (PI: Lieberman)

\$250,000 "The Role of Anterior Cingulate Cortex in Neuroticism and Social Cognition", National Institute of Mental Health (R21MH66709), 8/1/2002-7/31/2005

\$3,000 "The Neural Basis of Family and Peer Importance during Childhood and Adolescence", UCLA Academic Senate Grant, 6/1/05-5/30/06 (PI: Andrew Fuligni; co-PI: Lieberman)

\$4,500 "The Neural Basis of Family and Peer Importance during Childhood and Adolescence", Center for Culture, Brain, & Development (UCLA), 3/1/05-2/28/06 (PI: Andrew Fuligni; co-PI: Lieberman)

\$118,000 "Psychobiological concomitants of bereaved women at breast cancer risk", California Breast Cancer Research Program (10IB-0048), 7/1/04-1/31/06 (PI: David Wellisch; co-PI: Lieberman)

\$7,500 "Neural Correlates of Self-schemas", UCLA Academic Senate Grant, 7/1/03-6/31/04

\$150,000 "The Role of the Basal Ganglia in Automatic Social Inference" McDonnell-Pew Cognitive Neuroscience Grant (JSMF 99-25 CN-QUA.05), 1999-2002 (co-PI: Barbara Knowlton)

\$98,013 "Fast or Slow, High or Low, Stop or Go: The Neural Basis of Three Basic Dichotomies of Social Cognition" National Science Foundation Small Grant for Exploratory Research (BCS-0074562), 2000-2002 (co-PI: Barbara Knowlton)

\$38,000 "Conference on Social Cognitive Neuroscience" National Science Foundation (BCS-0101835), 2000-2001, (co-PI's: Alan Fiske, Susanne Lohmann, and Marco Iacoboni).

\$10,000 "Conference on Social Cognitive Neuroscience", National Institute of Mental Health (467-MZ-100690), 2000-2001 (co-PI's: Alan Fiske, Susanne Lohmann, and Marco Iacoboni)

TRAINEE FUNDING (INCLUDING 18 NSF FELLOWSHIPS)

Bear Goldstein – National Science Foundation – 2023-2025; National Defense Science and Engineering Graduate Fellowship (declined)

Leezet Matos – National Science Foundation – 2022-2025

Christina Huber – National Science Foundation – 2022-2025

Kevin Tan – National Science Foundation, 2018-2021

Macrina Cooper-White – National Defense Science and Engineering Graduate Fellowship, 2016-2019

Shannon Burns - National Science Foundation, 2016-2019

Mark Straccia – National Science Foundation, 2016-2019

Perri Katzman – National Science Foundation, 2016-2019

Meghan Meyer - National Research Service Award (2012-2014)

Liz Castle – National Defense Science and Engineering Graduate Fellowship, 2012-2015, National Science Foundation (declined), 2012-2015

Jared Torre – National Science Foundation, 2011-2014

Stephanie Vezich – Jacob Javits Award, 2011-2014

Benjamin Gunter – National Science Foundation, 2011-2014

Locke Welborn – National Science Foundation, 2010-2013

Elliot Berkman - National Research Service Award (2009-2011)

Eva Telzer – National Science Foundation, 2008-2011

Sylvia Morelli – National Science Foundation (Interdisciplinary Relationship Science Program), 2008-2010

Baldwin Way - National Research Service Award (Health Psychology Training Grant - NIMH), 2005-2008, NARSAD (2007-2009)

Emily Falk – National Science Foundation, 2007-2010

Lian Rameson – Jacob Javits Fellowship, 2005-2007, National Science Foundation, 2007-2010

Carrie Masten – National Science Foundation, 2005-2008

David Amodio – National Research Service Award (Health Psychology Training Grant - NIMH), 2003-2005

Jennifer Pfeifer – National Science Foundation, 2002-2005
National Research Service Award (NIMH), 2005-2007

Ajay Satpute – National Science Foundation, 2002-2005

Sarah Master – National Science Foundation, 2003-2006

Johanna Jarcho – National Research Service Award (Health Psychology Training Grant - NIMH), 2003-2005
National Research Service Award (Individual Award – NIMH), 2006-2008

FORMER TRAINEES

Shannon Burns – Graduate Trainee (2013-2019), Assistant Professor, Pomona College

Locke Welborn – Graduate Trainee (2008-2014), Assistant Professor, University of East Anglia

Meghan Meyer – Graduate Trainee (2008-2014), Assistant Professor, Dartmouth University

Benjamin Tabak – Postdoctoral fellow (2013-2016), Assistant Professor, Southern Methodist University

Eva Telzer – Graduate trainee (2006-2012), Assistant Professor, University of North Carolina

Robert Spunt – Graduate trainee (2006-2011), Postdoctoral Fellow, California Institute of Technology

Sylvia Morelli – Graduate trainee (2007-2012), Assistant Professor, University of Illinois, Chicago

Emily Falk – Graduate trainee (2006-2010), Associate Professor, University of Pennsylvania

Baldwin Way – Postdoctoral fellow (2005-2010), Assistant Professor, Ohio State University

Elliot Berkman – Graduate trainee (2004-2010), Assistant Professor University of Oregon

Jennifer Pfeifer – Graduate trainee (2001-2007), Associate Professor, University of Oregon

David Creswell – Postdoctoral fellow (2007-2008), Associate Professor, Carnegie Mellon

David Amodio – Postdoctoral fellow (2003-2005), Associate Professor, New York University

Golnaz Tabibnia – Graduate trainee (2001-2006), Assistant Professor, Carnegie Mellon

Molly Crockett – Undergraduate advisee (2001-2005), Assistant Professor, Yale University

Sean Young – Undergraduate advisee (2000-2001), Professor, University of California, Irvine

Charlene Wu – Undergraduate advisee (2004-2006), Research scientist, Uber

Johanna Jarcho – Graduate trainee (2001-2006), Assistant Professor, Temple University

Ajay Satpute – Graduate trainee (2002-2008), Assistant Professor, Northeastern University

Joshua Poore – Graduate trainee (2007-2009), Charles Stark Draper Labs, Boston

CHAired SYMPOSIA & CONFERENCES ORGANIZED

- 14) Lieberman, M. D. (2021). Neural polarization: Social neuroscience approaches to ideological conflict. Symposium chair at the Annual Meeting of the Society of Experimental Social Psychology, Santa Barbara, CA.
- 13) Lieberman, M. D. (2017). Emotion and the brain: Keynote debate between Ralph Adolphs and Lisa Feldman Barrett. Social and Affective Neuroscience Conference, Los Angeles, CA.
- 12) Lieberman, M. D. (2014). Exploring the Social Brain. Invited symposium at the National Academy of Sciences, Washington DC.
- 11) Spunt, R. & Lieberman, M. D. (2012). Others in the Brain: New Perspectives on the Neural Bases of Social Inference. Symposium chair at the 12th Annual Meeting of the Society for Personality and Social Psychology, San Diego, CA.
- 10) Lieberman, M. D. (2006). Emotion regulation and the brain. Symposium chair at the 6th Annual Meeting of the Society for Personality and Social Psychology, Palm Springs, CA.
- 9) Lieberman, M. D. (2005). Social cognitive neuroscience approaches to relating the self to its social world. Symposium chair (invited) at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
- 8) Lieberman, M. D. (2005). Updating the classics: How the brain informs our understanding of classic social psychological phenomena. Symposium Chair at the 6th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, New Orleans, MO.
- 7) Lieberman, M. D. (2005). Organizer for the Social Cognitive Neuroscience Preconference held at the Cognitive Neuroscience Society Meeting
- 6) Lieberman, M. D. (2005). Organizer for the Social Cognitive Neuroscience Preconference held at the Society for

Personality and Social Psychology Meeting.

- 5) Lieberman, M. D. (2004). Organizer for the Social Cognitive Neuroscience Preconference held at the Cognitive Neuroscience Society Meeting, April 15, San Francisco, CA.
- 4) Lieberman, M. D. (2004). Organizer for the Social Cognitive Neuroscience Preconference held at the Society for Personality and Social Psychology Meeting, January 29, Austin, TX.
- 3) Lieberman, M. D. (2003). The Social Neuroscience of Interpersonal Processes. Symposium Chair at the 15th annual meeting of the American Psychological Society, May 31, Savannah, GA.
- 2) Lieberman, M. D. (2003). Social Cognitive Neuroscience Approaches to the Self. Symposium Chair at the 4th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, Los Angeles, CA.
- 1) Lieberman, M. D. & Iacoboni, M. (2001). Organized the first conference on Social Cognitive Neuroscience, Los Angeles, CA.

SYMPOSIA & INVITED CONFERENCE TALKS

- 178) Lieberman, M. D. (April 28, 2023). Seeing minds, Understanding minds, Interacting minds: A quarter century of good fortune. The SANS Distinguished Scholar Keynote given at the annual meeting of the Social and Affective Neuroscience Society, Santa Barbara, CA.
- 177) Sahi, R., Gaines, E., Nussbaum, S., Lieberman, M., Eisenberger, N. & Silvers, J. (April 1, 2023). You changed my mind: Immediate and enduring impacts of social emotion regulation. Talk given at Society for Affective Science Conference, Long Beach, CA.
- 176) Lieberman, M. D. (March 31, 2023). Four centuries under Galileo's thumb: Consciousness, seeing, and emotion. Keynote talk given at the annual meeting of the Society for Affective Science, Long Beach, CA.
- 175) Lieberman, M. D. (March 30, 2023). The neuroscience of friendship and belonging at work. The DEIB Summit on the Future of Belonging, Irvine, CA.
- 174) Lieberman, M. D. (March 23, 2023). Resonance: How to find it in the brain and real life. Keynote presented at the Resonance Summit (<https://sarahpeyton.com/resonance-summit-2023/>)
- 173) Lieberman, M. D. (Feb 27, 2023). Friends per square foot. The neuroscience and business of connection. Keynote talk given at Inman Disconnect, Palm Springs, CA.
- 172) Lieberman, M. D. (Feb 9, 2023). The neuroscience of connection. Keynote talk given at Connectapalooza (<https://anthym.life/connectapalooza/>)
- 171) Lieberman, M. D. (Nov 12, 2022). Real mindreading. Talk given at the National Academy of Sciences Science & Entertainment Exchange Writer's Retreat. Carlsbad, CA.
- 170) Lieberman, M. D. (Feb 22, 2022). Neural polarization and face-to-face conflicts. Talk given at UCLA Psychology Presents: The neuroscience of cravings, consciousness, and cross-ideological conversations.
- 169) Lieberman, M. D., Dieffenbach, M. C., Dolbier, S. Y., Binnquist, A. L., & Kealoha, C. (Oct 9, 2021). Face-to-face conflict and the neural reference group approach to neural polarization. Talk given at the Annual Meeting of the Society of Experimental Social Psychology, Santa Barbara, CA.
- 168) Lieberman, M. D. (April 29, 2021). Twenty years since *The emergence of social cognitive neuroscience: A conversation with Kevin Ochsner and Matthew Lieberman*. Plenary session at the Annual Meeting of the Social and Affective Neuroscience Society.
- 167) Lieberman, M. D. (Aug 24, 2020). A social neuroscience approach to ideological interpersonal conflicts. Talk given at the AFOSR Trust and Influence program review (Zoom).
- 166) Lieberman, M. D. (Feb 25, 2020). Why we are wired to connect. Keynote given at the H.J. Sims Winter Conference. San Diego, CA.
- 165) Lieberman, M. D. (Oct 11, 2019). Seeing different: The construction of reality and its relevance to work. Keynote given at the 'Future of HR' HARRT meeting. Laguna Beach, CA.

- 164) Lieberman, M. D. (Sept 26, 2019). Seeing different: Applying neuroscience at work. Keynote given at the Applying Neuroscience to Business conference. Yokohama, Japan.
- 163) Lieberman, M. D. (Sept 23, 2019). Applying fNIRS to group vs. individual brainstorming processes. Talk given at Honda Motor Company. Tokyo, Japan.
- 162) Lieberman, M. D. (Sept 14-15, 2019). The social brain. Pontifical Catholic University of Rio do Sul, Porto Alegre.
- 161) Lieberman, M. D. (Aug 3, 2019). Seeing different. Capturing our moment to moment way of seeing the world with neuroscience. Talk given to the Summit Mountain Series. Eden, UT.
- 160) Lieberman, M. D. (May 19, 2019). Are we wired for connection? Talk given at the American Society of Neuroradiology. Boston, MA.
- 159) Lieberman, M. D. (Feb, 4, 2019). The social brain at work. Talk given for Google. Mountainview, CA.
- 158) Lieberman, M. D. (October 5, 2018). The future of social neuroscience: Neural synchrony and mobile neuroscience. Talk given at the Annual Meeting of the Society for Experimental Social Psychology, Seattle, WA.
- 157) Lieberman, M. D. (June 12, 2018). Stories from the social brain. Talk given for Apple. Sunnyvale, CA.
- 156) Lieberman, M. D. (April 26, 2018). Boo! The consciousness problem in emotion. Keynote given at the Annual Meeting of the Society for Affective Science, Los Angeles, CA
- 155) Lieberman, M. D. (April 25, 2018). Why our brains are wired to connect. Talk given at the UCLA Luminaries Dinner.
- 154) Lieberman, M. D. (April 23, 2018). The brain is social by default. Talk given at Behavior, Evolution, & Culture, UCLA
- 153) Lieberman, M. D. (March 5, 2018). The social brain for happiness and productivity at work. Invited talk given to the Ministry of Happiness & Well-being. Dubai, UAE.
- 152) Burns, S. M. & Lieberman, M.D. (March 3, 2018). Cross-cultural examination of brain indicators of persuasion. Annual meeting of the Society for Personality and Social Psychology. Atlanta, GA.
- 151) Lieberman, M. D. (Oct 12, 2017). The social brain and workplace bias. Keynote given for the Center for Talent Innovation, New York, NY.
- 150) Lieberman, M. D. (Oct 11, 2017). Smarter teams: How neuroscience can lead us there. Neuroleadership Summit, New York, NY.
- 149) Lieberman, M. D. (May 13, 2017). New directions in social neuroscience. The Influencers Dinner. Hollywood, CA.
- 148) Kang, Y., Pandey, P., Cooper, N., Scholz, C., O'Donnell, M. B., Elliott, A. M., Pegors, T. K., Lieberman, M. D., Taylor, S. E., Strecher, V. J., Dal Cin, S., Konrath, S., Polk, T., Resnicow, K., An, L., & Falk, E. B (2017, to be presented). Increasing Receptivity to Health Communications: Effects of Self-Transcendence and Affirmation Priming on Neural Responses to Health Messages and Behavior Change, Paper to be presented at the meeting of the International Communication Association, San Diego, California.
- 147) Lieberman, M. D. (Nov 17, 2016). Understanding the SEEDS of bias. Talk given at Gilead Executives Meeting, San Francisco, CA.
- 146) Welborn, B. L., Telzer, E., & Lieberman, M. D. (Sept 30, 2016). Perceiving and Mis-perceiving others: neural representation of others attitudes during consensus estimation and social influence. Talk given at the annual meeting of the *Society of Experimental Social Psychology*. Santa Monica, CA.
- 145) Lieberman, M. D. (Aug 22, 2016). Neural bases of persuasion and radicalization. Talk given at the DARPA Neuroscience and Radicalization Workshop, Los Angeles, CA.
- 144) Lieberman, M. D. (May 24, 2016). The social brain for business. Talk given at KPMG, Sydney, Australia.
- 143) Lieberman, M. D. (Apr 30, 2016). If on a winter's night, a social neuroscientist. Keynote given at Social and Affective Neuroscience, New York, NY.
- 142) Lieberman, M. D. (Oct 30, 2015). The social brain and its superpowers. Rotary International. Kona, HI.
- 141) Lieberman, M. D. (Oct 23, 2015). Education and the social brain. Social-Emotional Learning Conference. Vancouver, B.C.

- 140) Lieberman, M. D. (Oct 3, 2015). Your social brain. The Influencers Dinner. Hollywood, CA.
- 139) Lieberman, M. D. (August 20, 2015). Your brain's social superpowers for work and life. Colorado Judicial Branch Leadership Summit. Keystone, CO.
- 138) Lieberman, M. D. (July 9, 2015). The social brain and business. Talk given at the Harris Williams Annual Retreat. Richmond, VA.
- 137) Tabak, B. A., Meyer, M. L., Castle, E., Dutcher, J. M., Irwin, M. R., Han, J. H., Lieberman, M. D., & Eisenberger, N. I. (April, 2015). Vasopressin, but not oxytocin, increases empathic concern among individuals who received higher levels of paternal warmth. Talk presented at the Positive Emotion Preconference of the Society for Affective Science. Oakland, CA.
- 136) Lieberman, M. D. (March 5, 2015). Why our brains are wired to connect. Talk given for UCLA on the Road in Manhattan Beach, CA.
- 135) Lieberman, M. D. (March 3, 2015). Breaking bias as we grow. Gilead HR International Meeting, San Francisco.
- 134) Lieberman, M. D. (November 17, 2014). Neural basis of persuasion. CENTCOM. Tampa, FL.
- 133) Lieberman, M. D. (November 13, 2014). The social brain for work and life. Oracle's Why Social is HR's Business meeting. Los Angeles, CA.
- 132) Lieberman, M. D. (November 9, 2014). Putting feelings into words: Neural correlates and clinical benefits. 19th Annual Review of Psychiatry and Pharmacology, Skirball Center, Los Angeles, CA.
- 131) Lieberman, M. D. (November 4, 2014). The social brain for work and life. Oracle's Why Social is HR's Business meeting. Chicago, IL.
- 130) Lieberman, M. D. (October 31, 2014) The social brain and its superpowers. UCLA Parent's Weekend. Royce Hall.
- 129) Lieberman, M. D. (October 16, 2014). The social brain for work and life. Oracle's Why Social is HR's Business meeting. Washington DC.
- 128) Lieberman, M. D. (October 7, 2014) The social brain for work and life. Talk given to the University of Notre Dame Executive Leadership Group. South Bend, IN.
- 127) Lieberman, M. D. (June 17, 2014) Breaking bias. Talk given that the Oracle Women Leadership Meeting. Redwood City, CA.
- 126) Lieberman, M. D. (May 25, 2014). Affect Labeling: Neural and Translational Correlates. Talk given at the Annual Meeting for the Association of Psychological Science. San Francisco, CA.
- 125) Brown, L., Davies, C., Stevens, S., Cooper, R., Lieberman, M. D., & Craske, M. G. (May 23, 2014). Augmentation of script-driven trauma imagery with affective labeling. Talk given at the Annual Meeting for the Association of Psychological Science. San Francisco, CA.
- 124) Lieberman, M. D. (May 7, 2014). Getting the word out: The neural bases of persuasion and propagation. Talk given at Access Intelligence, Salt Lake City, Utah.
- 123) Lieberman, M. D. (May 1, 2014) The social brain and its superpowers. Talk given for UCLA on the Road in Seattle, WA.
- 122) Lieberman, M. D. (April 27, 2014). Everyday mindreading. Talk given at the National Academy of Sciences, Washington DC.
- 121) Lieberman, M. D. (April 24, 2014). The business of social brains. Keynote given at Raytheon. Arizona.
- 120) Dutcher, J. M., Wang, D. M., Tabak, B. Meyer, M. L., Castle, E., Irwin, M. R., Lieberman, M. D. & Eisenberger, N. I. (April 11, 2014). Administration of vasopressin increases empathy and positive emotions while recalling an instance of providing support. Talk given at the 7th annual Social and Affective Neuroscience conference, Denver, CO.
- 119) Meyer, M. L. & Lieberman, M. D. (April 12, 2014). Social working memory: 7 + or- 2 in the mentalizing network? Talk given at the 7th annual Social and Affective Neuroscience conference, Denver, CO.
- 118) Lieberman, M. D. (April 12, 2014). Mind over matter: Panel on science writing. Los Angeles Times Book Fair, Los Angeles, CA.
- 117) Lieberman, M. D. (April 9, 2014). The social brain and its superpowers. Food and Friends at Bouchon in

Beverly Hills, CA.

- 116) Lieberman, M. D. (April 2, 2014). The social brain and online education. Talk given at Pearsons 15th Annual Learning Conference for Higher Education.
- 115) Lieberman, M. D. (March 27, 2014). The social brain and human resource management. Oracle event, Toronto, Canada.
- 114) Lieberman, M. D. (March 26, 2014). The social brain and its superpowers. California Society of Association Executives, Indian Wells, CA.
- 113) Lieberman, M. D. (March 11, 2014). The social brain and leadership. Oracle event, Indian Wells, CA.
- 112) Lieberman, M. D. (March 10, 2014). The social brain and human resource management. Oracle event, Indian Wells, CA.
- 111) Lieberman, M. D. (February 15, 2014). The social brain and its implications for education. Talk given at the 37th Learning and the Brain conference, San Francisco, CA.
- 110) Lieberman, M. D. & Meyer, M. (February 15, 2014). More than one pool of resources: Large-scale neurocognitive networks differentially interact to support social and cognitive controlled processing. Talk given at the 15th Annual Society for Personality and Social Psychology Conference, Austin TX.
- 109) Lieberman, M. D. & Torre, J. (February 13, 2014). Affect labeling as implicit emotion regulation. Talk given at the Emotion preconference of the 15th Annual Society for Personality and Social Psychology Conference, Austin TX.
- 108) Lieberman, M. D. (January 25, 2014). Is race the neural adversary of the social mind. Talk given at the Minneapolis Teachers Institute
- 107) Lieberman, M. D. (December 13, 2013). The social brain and international peace efforts. Institute of State Effectiveness, Washington DC.
- 106) Lieberman, M. D. (November 14, 2013). The social brain and education. Minnesota Association of School Administrators. Brainerd, MN.
- 105) Lieberman, M. D. (November 7, 2013). Breaking bias. Neuroleadership Summit, Washington DC
- 104) Lieberman, M. D. (November 6, 2013). Navigating the social world. Neuroleadership Summit, Washington DC
- 103) Lieberman, M. D. (October 16, 2013) Why our brains are wired to connect. UCLA Development Talk.
- 102) Lieberman, M. D. (October 11, 2013) Why our brains are wired to connect. Google. Los Angeles, CA
- 101) Lieberman, M. D. (October 2, 2013). The social brain and the spread of information. TTI/Vanguard, Jersey City, NJ
- 100) Lieberman, M. D. (September 26, 2013). How the social brain can make us smarter, happier, and more productive. Royal Society for the encouragement of Arts, Manufactures and Commerce. London, England
- 99) Lieberman, M. D. (September 26, 2013). Breaking bias. Neuroleadership Summit, London, England
- 98) Lieberman, M. D. (September 24, 2013). Navigating the social world. Neuroleadership Summit, London, England
- 97) Lieberman, M. D. (September 19, 2013). The Social Brain and its Superpowers. TEDx St. Louis.
- 96) Lieberman, M. D. (July, 2013). Why our brains are wired to connect. Fourth Annual Brain Development & Learning Conference, Vancouver, CA.
- 95) Lieberman, M. D. (June 20, 2013). Breaking bias. Neuroleadership Summit, Sydney, Australia
- 94) Lieberman, M. D. (June 19, 2013). Navigating the social world. Neuroleadership Summit, Sydney, Australia
- 93) Lieberman, M. D. (May 15, 2013). An integrative model of the social brain. Meeting on Neuroscience of Affect, Attachment, & Social Cognition. University College of London
- 92) Lieberman, M. D. (July 15, 2013). Multiple lectures on the social brain. Social Brain Camp, Trieste, Italy.
- 91) Lieberman, M. D. (July 24, 2013). Affect labeling and the social brain. Plenary talk presented at Brain Development & Learning: Making Sense of the Science, British Columbia.
- 90) Lieberman, M. D. (April 14, 2013). Affect labeling as implicit emotion regulation. Talk presented at the *Annual Meeting of the Cognitive Neuroscience Society*. San Francisco.

- 89) Spunt, R. P., Meyer, M., & Lieberman, M. D. (April 12, 2013). Evidence that evoked response of dorsomedial prefrontal cortex to fixation baseline facilitates social (but not nonsocial) inference (but not non-inference). Talk presented at the 6th Annual Social and Affective Neuroscience conference, San Francisco.
- 88) Welborn, L. & Lieberman, M. D. (April 12, 2013). Person-specific theory of mind: The role of VMPFC in mentalizing. Talk presented at the 6th Annual Social and Affective Neuroscience conference, San Francisco.
- 87) Morelli, S.A., Rameson, L., & Lieberman, M.D. (January, 2013). The neural components of empathy: Predicting daily prosocial behavior. Talk to be presented at the 14th Annual Society for Personality and Social Psychology Conference, New Orleans, LA.
- 86) Lieberman, M. D. (2013). The neural bases of persuasion and message propagation. Talk given at the Attitudes preconference of the 14th Annual Society for Personality and Social Psychology Conference, New Orleans, LA.
- 85) Lieberman, M. D. (October 2012) Changing minds. NeuroLeadership Summit, New York City.
- 84) Morelli, S. A., & Lieberman, M. D. (2012). Empathy for positive and negative emotions: Implications for brain and behavior. Talk given at the 5th Annual Social and Affective Neuroscience conference, New York: NY
- 83) Berkman, E. T., & Lieberman, M. D. (2012). Self-control network plasticity induced by a three-week response inhibition training. Talk given at the 5th Annual Social and Affective Neuroscience conference, New York: NY
- 82) Lieberman, M. D. (2013). The neuroscience of persuasion and message propagation. Talk given at the SPSP Attitudes preconference.
- 81) Lieberman, M. D. (2013). How the brain got a social network. Plenary talk given at the 4th biennial conference on brain development and learning. Vancouver, B.C.
- 80) Lieberman, M. D. (2012). Memes & Buzz: The neuroscience of changing minds. Keynote given at the Neuroleadership Summit, New York City (Oct. 15-17)
- 79) Spunt, R. P., Lieberman, M. D., Cohen, J. & Eisenberger, N. I. (2012). The phenomenology of cognitive conflict: The dorsal anterior cingulate response to stop-signal errors tracks reports of negative affect. Talk given at the Annual Meeting of the Cognitive Neuroscience Society, Chicago, IL.
- 78) Falk, E., Berkman, E., & Lieberman, M. (2012). From neural responses to population behavior: Neural focus group predicts population level media effects. Talk given at the 12th Annual Meeting of the Society for Personality and Social Psychology, San Diego, CA.
- 77) Telzer, E., Fuligni, A., Gonzals, N., Weisner, T., Lieberman, M., & Galvan, A. (2012). Behavioral and neural mechanisms underlying familial influence on adolescents' substance use. Talk given at the 12th Annual Meeting of the Society for Personality and Social Psychology, San Diego, CA.
- 76) Lieberman, M. D., Meyer, M., Spunt, R., & Morelli, S. (2012). Social working memory and the neuroscience of effortful social cognition. Talk given at the 12th Annual Meeting of the Society for Personality and Social Psychology, San Diego, CA.
- 75) Spunt, R. & Lieberman, M. D. (2012). An identification-attribution model of the neural systems supporting behavior explanation. Talk given at the 12th Annual Meeting of the Society for Personality and Social Psychology, San Diego, CA.
- 74) Morelli, S. A., Rameson, L. T., Telzer, E. H., & Lieberman, M. D. (2012). The neural correlates of empathy for positive emotions: Implications for daily experiences of shared positive emotion and helping. Talk given at the 12th Annual Meeting of the Society for Personality and Social Psychology, San Diego, CA.
- 73) Lieberman, M. D. (2011). The social brain. Keynote talk given at the Neuroleadership Summit, San Francisco, CA.
- 72) Falk, E. B., Berkman, E. T., & Lieberman, M. D. (2011). Neural activity in response to persuasive messages predicts long-term behavior change: Examples of a novel Brain-as-Predictor approach. Talk given at the annual meeting of American Psychological Association, Washington, D.C.
- 71) Morelli, S. A., Rameson, L. T., & Lieberman, M. D. (2011). The neural correlates of empathy: Experience, automaticity, and prosocial behavior. Talk given at the annual meeting of American Psychological Association, Washington, D.C.
- 70) Lieberman, M. D. (2011). Putting feelings into words: The neural basis of unintentional emotion regulation.

Keynote address at the UCLA Psychology Undergraduate Research Conference, May 6.

- 69) Lieberman, M. D. (2011). The social brain. Talk given at the Social Brain meeting, Cambridge, UK.
- 68) Lieberman, M. D. (2011). Putting feelings into words: The neural basis of unintentional emotion regulation. Talk given at the 11th Annual Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- 67) Lieberman, M. D. (2011). Social consciousness and other insights from social cognitive neuroscience. Talk given at the SPSP Consciousness preconference, San Antonio, TX.
- 66) Berkman, E. T., Meyer, M., Karremans, J. & Lieberman, M. D. (2011). Incidental regulation of attraction: The neural basis of implicit emotion regulation in romantic relationships. Talk given at the 11th Annual Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- 65) Lieberman, M. D. (2010). Fairness tastes like chocolate. Talk given at the annual Mind and its Potential meeting, Sydney, Australia.
- 64) Falk, E. B., Berkman, E. T., & Lieberman, M. D. (2010). Neural focus groups: Predicting individual and population behavior change from the brain. Talk given at the 4th Annual Social and Affective Neuroscience conference, Chicago, IL
- 63) Berkman, E. T., Falk, E. B., & Lieberman, M. D. (2010). Neural predictors of successful goal pursuit during smoking cessation: Linking neural and real-world methods. Talk given at the 4th Annual Social and Affective Neuroscience conference, Chicago, IL
- 62) Lieberman, M. D. (2010). Ventrolateral PFC as a self-control muscle (and how to use it without trying). Talk given at the 20th Annual Rotman Research Institute Conference. Toronto.
- 61) Lieberman, M. D. (2010). Cooperation and competition. Invited talk at the Alpine Brain Imaging Meeting, Champéry, Switzerland.
- 60) Lieberman, M. D. (2009). How the brain processes social information. Master Mediator Institute Immersion Course, Los Angeles.
- 59) Lieberman, M. D. (2009). The neural basis of self-control. Keynote at the Los Angeles Neuroleadership Summit.
- 58) Lieberman, M. D. (2009). Keynote speech. Neuropower symposium. Sydney, Australia.
- 57) Lieberman, M. D. (2009). Debate over “voodoo correlations in social neuroscience”. Annual Meeting of the Society for Experimental Social Psychology. Portland, Maine.
- 56) Lieberman, M. D. (2009). Ventrolateral PFC as a self-control muscle (and how to use it without trying). Talk given at the 3rd Annual Social and Affective Neuroscience conference, New York, NY.
- 55) Lieberman, M. D. (2009). Why putting feelings into words can dampen feelings. Talk given at the American Association for the Advancement of Science conference, February, Chicago, Ill.
- 54) Berkman, E. T., & Lieberman, M. D. (2009). BIS/BAS and the neural systems involved in the regulation of goal pursuit. Talk given at the 9th Annual Meeting of the Society for Personality and Social Psychology, Tampa, Florida.
- 53) Pfeifer, J. H., Lessard, J., Masten, C. L., Borofsky, L., Dapretto, M., Lieberman, M. D., Fuligni, A. J., & Chen, C. (2009). Neural systems supporting reflected and direct self-appraisals: Developmental and cross-cultural studies. Talk given at the 9th Annual Meeting of the Society for Personality and Social Psychology, Tampa, Florida.
- 52) Lieberman, M. D. (2008). The pains and pleasures of social life. Keynote address at the New York City Neuroleadership Summit.
- 51) Lieberman, M. D. (2008). The pains and pleasures of social life. Keynote address at the Sydney Neuroleadership Summit.
- 50) Lieberman, M. D. (2008). Neural bases of persuasion and dissonance-related attitude change. Talk given at the 2nd Annual Social and Affective Neuroscience conference, Boston, MA.
- 49) Lieberman, M. D. (2008). The self and decision-making: A view from the brain. Talk given at the 8th Annual Meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.
- 48) Lieberman, M. D. (2008). Using neuroscience to do social psychology: Investigating self-processes. Talk given at the SPSP training preconference, Albuquerque, New Mexico.

- 47) Pfeifer, J. H., Dapretto, M., & Lieberman, M. D. (2008). Cooties and crushes: gender and the moderation of neural systems for shared representations of emotion in children. Talk given at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.
- 46) Lieberman, M. D. (2007). Why putting feelings into words can dampen the feelings: A social cognitive neuroscience approach. UCLA Emeriti Association.
- 45) Lieberman, M. D. (2007). Neural contributions of emotion regulation to decision-making. Talk given at the Summer Institute for Social Neuroscience, July, Santa Barbara, CA.
- 44) Lieberman, M. D. (2007). fMRI studies of self-knowledge: developmental, social, and cognitive perspectives. Talk at the Annual Meeting of the Society for Experimental Social Psychology, October, Chicago, IL.
- 43) Lieberman, M. D. (2007). Coping with rejection in academic writing. Talk given Annal Meeting of the American Psychological Association, San Francisco, CA.
- 42) Pfeifer, J. H., Dapretto, M., & Lieberman, M. D. (2007). Factors influencing self-relevant information processing in the pre-teen brain. Talk given at the annual meeting of the Jean Piaget Society, Amsterdam, Netherlands.
- 41) Pfeifer, J. H., Lieberman, M. D., & Dapretto, M. (2007). Thinking about me, thinking about you: Neural bases of self- and social knowledge retrieval in middle childhood. Talk given at the biennial meeting of the Society for Research in Child Development, Boston, MA.
- 40) Pfeifer, J. H., Lieberman, M. D., Fuligni, A. N., & Dapretto, M. (2007). Developing self-knowledge, developing identities, developing brains. Talk given at the Self & Identity Preconference held at the Society for Personality and Social Psychology Meeting, Memphis, TN.
- 39) Lieberman, M. D. (2006). The hurdles of interdisciplinary research. Talk given at the 2nd annual APA Science Leadership Conference, Dec. 2, Washington D.C.
- 38) Tabibnia, G., Craske, M.G., & Lieberman, M.D. (2006). Activity in lateral and medial prefrontal cortices during exposure to aversive images predicts reduced autonomic response to those images a week later. Talk given at the 36th Annual Meeting of the Society for Neuroscience, Oct. 16, Atlanta, GA.
- 37) Lieberman, M. D. (2006). Neural bases of reflective and reflexive social cognition. Talk given at the "In two minds: Dual-process theories of reasoning and rationality, Cambridge, UK.
- 36) Lieberman, M. D. (2006). The role of right ventrolateral prefrontal cortex in emotiona regulation during social interactions. Talk at the 13th Annual Meeting of the Cognitive Neuroscience Society, April, San Francisco, CA.
- 35) Lieberman, M. D. (2006). When language disrupts affect: A social cognitive neuroscience approach. Invited Division 3 talk given at the Annual Meeting of the American Psychological Association. New Orleans, LA.
- 34) Lieberman, M. D. (2006). Putting feelings into words: The neural and genetic bases of language-driven emotion regulation. Invited talk in the 2006 Spielberger EMPathy Symposium given at the Annual Meeting of the American Psychological Association. New Orleans, LA.
- 33) Lieberman, M. D. (2006). Putting feelings into words: The neural bases of language-driven emotion regulation. Invited address at the Western Psychological Association Convention, Palm Springs, CA. April.
- 32) Lieberman, M. D. (2006). Disruption theory: A neurocognitive model of the self-regulatory benefits of putting feelings into words. Talk at the 6th Annual Meeting of the Society for Personality and Social Psychology, Palm Springs, CA.
- 31) Lieberman, M. D. (2005). Reflective conscious processes ≠ reflexive unconscious processes + awareness: A social cognitive neuroscience approach. Talk at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
- 30) Lieberman, M. D. (2005). Social cognitive neuroscience approaches to relating the self to its social world. Symposium chair (invited) at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
- 29) Eisenberger, N. I., Taylor, S. I., Gable, S., & Lieberman, M. D. (2005). Social rejection: A social cognitive neuroscience approach. Invited symposium talk at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
- 28) Pfeifer, J. P., Iacoboni, M., Dapretto, M., & Lieberman, M. D. (2005). Self and other as distinct sources for

- understanding and relating to self and others: A social cognitive neuroscience approach. Invited symposium talk at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
- 27) Lieberman, M. E. (2005). Putting feelings into words: A social cognitive neuroscience approach. Invited talk at the "Psychology and Neuroscience of Emotions Conference", June 12, Zurich, Switzerland.
- 26) Jarcho, J. M., Suyenobu, B. Y., Berman, S., Naliboff, B., Lieberman, M. D., & Mayer, E. A. (2005). Identification of IBS responders to 5-HT₃ receptor antagonism by distinct brain responses prior to drug treatment. Talk given at Digestive Disease Week annual conference, May 2005, Chicago, IL.
- 25) Lieberman, M. D. (2005). Different brain regions involved in interpreting social threats by linguistic and non-linguistic means: A social cognitive neuroscience approach. Invited talk at the International Symposium on Emergent Mechanisms of Communication, February 28, Kyoto, Japan.
- 24) Lieberman, M. D. & Tabibnia, G. (2005). Prospect theory, reward, and the brain: A neuroeconomics approach to subjective value and objective utility. Hot topics talk given at the 17th annual meeting of the American Psychological Society, May 27, Los Angeles, CA.
- 23) Creswell, J.D., Eisenberger, N.I., & Lieberman, M.D. (2005). Neural correlates of mindfulness during social exclusion. Talk at the 3rd Annual Conference on Integrating Mindfulness-Based Stress Reduction Interventions into Medicine, Health Care, and Society, in Worcester, MA.
- 22) Lieberman, M. D., Eisenberger, N. I., & Crockett, M. J. (2005). Why do elderly primes slow you down? An fMRI study comparing ideomotor and disruption accounts of automatic behavior. Paper presented at the 6th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, New Orleans, MO.
- 21) Lieberman, M. D. (2005). Updating the classics: How the brain informs our understanding of classic social psychological phenomena. Symposium Chair at the 6th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, New Orleans, MO.
- 20) Eisenberger, N. I. & Lieberman, M. D. (2005). Personality differences in controlled processing responses to discrepancies: An fMRI study of self-consciousness, extraversion, and neuroticism. Paper presented at the 6th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, New Orleans, MO.
- 19) Lieberman, M. D. (2004). When language disrupts affect. A social cognitive neuroscience approach. UCLA Neuropsychiatric Institute, Grand Rounds Talk, October 26, 2004, Los Angeles.
- 18) Lieberman, M. D. & Eisenberger, N. I. (2004). The pain of social rejection and the function of dorsal anterior cingulate cortex. Invited talk at the Social Neuroscience Conference, May 14, 2004, Chicago, IL.
- 17) Eisenberger, N. I. & Lieberman, M. D. (2004). "Why it hurts to be left out": The neurocognitive overlap between physical and social pain. Paper presented at the 7th Sydney Symposium, March 19, 2004, Sydney, Australia.
- 16) Lieberman, M. D. (2004). Disruption theory: Why thinking about affect inhibits affect and behavior. Invited talk in the Social Cognitive Neuroscience Preconference held at the Cognitive Neuroscience Society Meeting, April 15, San Francisco, CA.
- 15) Lieberman, M. D. (2004). Disruptive effects of language on automatic affect and automatic behavior: A social cognitive neuroscience approach. Invited talk in the Social Cognitive Neuroscience Preconference held at the Society for Personality and Social Psychology Meeting, January 29, Austin, TX.
- 14) Lieberman, M. D. (2003). Social cognitive neuroscience. Why social psychologists should care about their brains. Keynote speech. Tagung der Fachgruppe für Sozialpsychologie, September 24, Heidelberg, Germany.
- 13) Lieberman, M. D. (2003). The common neural bases of the experience and self-regulation of physical pain, social threat cues, and interpersonal rejection: A social cognitive neuroscience approach. Invited cross-cutting symposium on "The Social Neuroscience of Interpersonal Processes", 15th annual meeting of the American Psychological Society, May 31, Savannah, GA.
- 12) Lieberman, M. D. (2003). Social Cognitive Neuroscience Approaches to the Self. Symposium Chair at the 4th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, Los Angeles, CA.
- 11) Lieberman, M. D., Jarcho, J. M., & Satpute, A. B. (2003). An fMRI Study of Self-Schemas in Comedians and Athletes. Paper presented at the 4th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, Los Angeles, CA.

- 10) Lieberman, M. D. (2002). Mind-brain-body interactions: Discussant. First annual integrative medicine symposium, September 27, 2002, Los Angeles, CA.
- 9) Lieberman, M. D. (2002). Impulse Eruption and Disruption: A Social Cognitive Neuroscience Approach. National Institute of Drug Abuse, July 22, 2002, Bethesda, MD.
- 8) Lieberman, M. D. (2002). Is Self-Created Happiness Created Consciously? Neuropsychological and Cognitive Studies. SouthernCalifornia Positive Psychology Conference, April 5, 2002, Claremont, CA.
- 7) Lieberman, M. D. (2002). Disruption theory: A social cognitive neuroscience approach to introspection-judgment effects. Paper presented at the 5th Sydney Symposium, March 19, 2002, Sydney, Australia.
- 6) Lieberman, M. D. (2001). An fMRI study of verbal overshadowing and stereotypes. Paper presented at the UCLA Conference on Social Cognitive Neuroscience, April 26, 2001, Los Angeles, CA.
- 5) Iacoboni, M., Knowlton, B. J., Lieberman, M. D., & Fiske, A. P. (2001). fMRI of observing communal and ranking relationships. Paper presented at the 31st Annual Meeting of the Society for Neuroscience, November 13, 2001, San Diego, CA.
- 4) Fiske, A., Iacoboni, M., Knowlton, B. J., & Lieberman, M. D. (2001). Interpreting communal and ranking relationships: First results from an fMRI study. Paper presented at the UCLA Conference on Social Cognitive Neuroscience, April 28, 2001, Los Angeles, CA.
- 3) Lieberman, M. D., Hariri, A., Bookheimer, S. (2001). Controlling automatic stereotype activation. An fMRI study. Paper presented at the 2nd Annual Meeting of the Society for Personality and Social Psychology, February 4, 2001, San Antonio, TX

TEACHING:

2020 Recipient of the UCLA Distinguished Teaching Award for Senate Faculty (\$6,000), given to 6 of the 1500 ladder faculty each year.

2011 Recipient of the UCLA Gold Shield Faculty Prize (\$30,000) given to one UCLA professor per year who excels in both research and teaching

2014 UCLA ProfessorReview (www.bruinwalk.com) - Rated 2nd best teacher among active ladder faculty in the Psychology Department

UCLA ProfessorReview (www.bruinwalk.com) - Rated 8th most effective professor on campus
Student evaluation Mean 8.50 / 9.00 (for the 2002-2003 academic year)

UCLA ProfessorReview (www.bruinwalk.com) - Rated 9th most recommended professor on campus
Student evaluation Mean 8.56 / 9.00 (for the 2002-2003 academic year)

Psych 137G: Social Cognitive Neuroscience

Spring 2014: Student evaluation Mean 8.49 / 9.00 Median 9.0 / 9.0
